

Many of us are already helping any neighbours, friends and family in need. If you can, please swap numbers and email addresses and have a simple plan to provide mutual help in the event of self-isolation. In addition, BAT has been set up by volunteers to offer additional help to you as a 'good neighbour' if you need it and to those who can't leave their house because they are ill or self-isolating in the Benenden Parish.

We are not replacing the support you may already be getting, hiring or giving, just to be on hand if you need additional assistance. If you need the sort of help a neighbour can provide then please contact your closest BAT below. Each is supported by volunteers:
